Risk Statement

Rule 3 of the Racing Rules of Sailing states "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone".

Sailing is by nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each member agrees and acknowledges that:

(a)	They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;	(e)	The provision of a Race Management team, safety boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
(b)	They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;	(f)	The provision of safety boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
(c)	They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;	(g)	It is their responsibility to familiarise themselves with any risks specific to the WFSA operating area drawn to their attention in any rules, sailing instructions or bye-laws issued by the Club and to attend any safety briefings.
(d)	Their boat is in good order, equipped to sail in the event and they are fit to participate;	(h)	Their boat is adequately insured, with cover of at least £2,000,000 against third party claims;

All enquiries should be made to the Vice Commodore.
